BRIAN KLEIN

New York, NY   (816) 812-0013   Bribribrian@gmail.com   **PORTFOLIO**   **GITHUB**   **LINKEDIN**

TECHNICAL SKILLS

React, Redux, Ruby, Rails, Javascript, HTML5, CSS3, SQL, MongoDB, Express, postgreSQL, AWS, Heroku, Git, Node.js, jQuery, RSpec

PROJECTS

MystiCamp (React, Redux, Ruby on Rails, PostgreSQL, Ajax)   live | github
A full-stack Ruby on Rails Hipcamp clone
- Utilized Rails polymorphic associations eliminating repeat code for an easily maintainable, scalable, and DRY back end
- Accomplished user authentication using cookies, BCrypt, and SecureRandom allowing multiple session login persistence
- Incorporated Google Maps API to show accurate geo-location of sites for visually intuitive user experience

Outfit of the Day   (MongoDB, Express, React, Node.js)   live | github
A full-stack app that allows users to organize clothing items, create outfits, and find outfits based on search parameters
- Organized project schedule and prioritized goals of the project as the team lead
- Assembled initial phases of front and back end, models, and UI for quick onboarding of team members
- Integrated AWS S3 into the project to allow for project scalability and low-latency user experience

Music Taste Comparator (JavaScript, HTML5, CSS3, D3.js)   live | github
A single page App that utilizes the Spotify API to analyze users music taste
- Implemented Spotify API to log in user and fetch user's listening data
- Built feature leveraging API calls, JavaScript promises, and JSON to allow search of another user's listening data
- Applied D3.js selections, mouse-over transitions, and data-binding for interesting and interactive data display

EXPERIENCE

Driver
Uber   2018 - 2019
- Delivered high-quality service earning 96 5-star customer ratings in a row and a over-all career rating of 4.9

Delivery Driver
Door to Door Organics   2013 - 2017
- Completed routes with proficiency and finished each day's workload on average 20% ahead of schedule
- Organized and maintained inventory accurately and prepared documentation detailing results

Events Producer/Manager
Emerald Space   2010 - 2013
- Executed on-site management and multitasking during high pressure situations and live events
- Succeeded with booking, organizing, scheduling, and hosting of events to accommodate maximum guest experience

Enumerator Manager
United States Census Bureau   2010
- Oversaw 2 teams of enumerators managing schedules and communications for a combined total of over 40 employees
- Coordinated meetings, employee reviews, and delegated tasks for efficient and convenient work-flow

EDUCATION

Full Stack Software Engineering - *App Academy | 2019 - 2020*
1000-hour immersive full-stack web development intensive with a less than 3% acceptance rate
BFA Illustration - *Ringling College of Art & Design | 2001 - 2005*
Society of Illustrators award winner 2005
